TC = Tracking Code. This will enable you to track Father Christmas on his journey. The web addresses are: -

A = <https://lions.northwind.co.uk/santaa> and B = <https://lions.northwind.co.uk/santab>

The Routes will commence at 6p.m on all nights except Sunday 10th December when it will be 4:30p.m.

Please note. Weather conditions may cause these dates to change, or routes be cancelled all together.

Despite the nightly routes being long, we try to ensure that we have finished by 20:30. In doing so, Father Christmas has said that it will not always be possible to stop and chat to individual children, however we will try and make a short stop, if a group of children have gathered providing, of course, it is safe to do so. This year we are proposing to have a few Santa Stops on some routes and are grateful to JamesDean Estate Agents as they have agreed to position these signs in areas where we find it difficult to reach all children due to difficulties when manoeuvring the sleigh. If you have such a sign near your house, why not collect together at that point to give Father Christmas a real welcome. Their provisional positions are detailed below but are subject to change,
